Experience

Radio Presenter

Jan 2016 to June 2018

Demon FM

- Presented on the Rewind Show on De Montfort University's student radio.
- Communicate with my Co-Presenters to run an engaging show.
- Ensure I give a good impression of both myself and the university when going out live.

Photographer

June 2018

Hayburner Magazine

- Capture images to be included in the final publication.
- Had one of my images printed in the magazine.

Electrician Assistant

Jan 2013 to Sept 2018

MCC Electrics

- Responsible for the safety of both workers and customers when working with electrics and electrical appliances.
- Organisation- Calculating the equipment and products needed for the job on specific days.
- Time Management- Make sure the job was completed on time.
- Communication- Communicate with both the customer and co-workers to ensure the job met the customer's demands and expectations.

Barman

Jan 2015 to Jan 2016

King's Arms, Polebrook

- Communication- Interacted with both customers and staff when working behind a bar, to ensure customers were happy.
- Time Management- Ensured I was present at the time of opening and that customers received their food and drinks as quickly as possible.
- Mathematics- Quick mathematical skills were required when handling the customer's money.
